# Brief Biography of the Supervisor

Mukesh Kumar Rohil received his M.Sc. (Hons) degree in Physics, B.E. (Hons) degree in Civil Engineering, M.E. degree in Systems & Information and Ph.D. in Computer Science and Engineering from Birla Institute of Technology and Science, Pilani – 333 031, Rajasthan, India, in 1993, 1993, 1995, and 2004 respectively.

He served M/S Asia Polytex India Limited, Mumbai as System Analyst–cum–programmer during Aug-Nov, 1993. He has worked as Assistant Lecturer from June 1995 to Dec 1998, as Lecturer from Dec 1999 to May 2006, as Assistant Professor from June 2006 to Jan 2013, and is currently working as Associate Professor since Feb 2013 with Department of Computer Science and Information Systems, Birla Institute of Technology and Science, Pilani – 333031, Rajasthan, India. His area of research interest includes artificial intelligence and expert systems, computer graphics, digital image processing of remote sensing data, GIS, and pattern recognition.

Dr. Rohil is a life member of Indian Society of Remote Sensing (ISRS). Mr. Rohil received OPTO-MECH award for the best paper titled "Exploring possible applications of fuzzy logic in simulation of three-dimensional visualization using remote sensing data" presented at annual convention of ISRS, in Nov 2000.
