

## **Acknowledgement**

I would like to express a profound and heartfelt gratitude to my Ph.D. supervisor, Prof. Anil K. Bhat (Professor, BITS-Pilani), for his invaluable guidance, continuous encouragement and unwavering support, as and when it was needed. I highly appreciate his inherent knowledge, deep understanding and constructive criticism that has always helped me progress throughout the duration of this research. It was an honor to be his student and work under his guidance. I should also remain indebted to Prof. Vishal Gupta (Associate Professor, IIM-A) for his detailed and insightful review that helped me build a strong foundation for this research work. I would also like to express my deep sense of appreciation to the members of my Doctoral Advisory Committee (DAC), Dr. Jyoti Tikoria and Dr. Jayashree Mahesh, for their time and effort to read my thesis and to provide extremely helpful feedback and suggestions.

I am thankful to the entire administration at the BITS Pilani, Pilani Campus. My sincere thanks to Prof. Souvik Bhattacharya (Vice-Chancellor), Mr. Ernest Samuel Ratnakumar J (Registrar), Prof. Ashoke Kumar Sarkar, Director, BITS-Pilani, Pilani Campus for allowing me to pursue my research work successfully. I also express my gratitude to Prof. Sanjay Kumar Verma (Dean, Academic Research) and Prof. Jitendra Panwar (Associate Dean, Academic- Graduate Studies and Research) for providing valuable support throughout the Ph.D. programme.

This journey was full of numerous challenges and obstacles and overcoming those wouldn't have been possible without all my friends on campus. I would like to thank them all for making this place a home away from home; Swarupa, Nikita, Bhanu, Namita, Himanshu and Victor. I would also like to express my deep sense of gratitude and appreciation to my entire family, whose love, support and belief in me is what always gave me the strength to stand tall and face all my

challenges. I'll always be indebted to my uncle and aunt, Mr. & Mrs. Jayant Sudha Patwa, without all their support this would have been impossible to accomplish. I would also like to thank all my other uncles and aunts: Mr. & Mrs. Hemant Sandhya Patwa, Mr. & Mrs. Tarun Abhilasha Patwa and Mr. & Mrs. Pravin Sneh Patwa for always being there for me. I am extremely grateful to my brother, Aditya and little sister, Ashwarya for never losing their confidence in me and always being my strength. I'll always be thankful to my mother for all her love, and to my father for showering his unconditional love and blessings and always watching over us from heaven.

Lastly, I am very grateful to be a part of the very energetic and prospering Department of Management, BITS Pilani. It was a pleasure to work with all the faculty members of the department. I would like to express immense gratitude to the entire research scholars' group and the office staff for their support.
