

ACKNOWLEDGEMENTS

I devote my project to humanity. Science is for the development of human life and their living.

My research and hard work in this project are a small dedication towards this purpose.

I owe a debt of gratitude to my supervisor **Dr. Paul Atish Tulshiram**, Associate Professor, Department of Pharmacy for his valuable guidance, inestimable encouragement, dedicated involvement, and unwavering support, without whom, this work would have not been reached the present status.

I would like to thank **Prof. Souvik Bhattacharya** (Vice Chancellor, BITS Pilani) and **Prof. S.K. Barai** (Director, BITS Pilani, Pilani Campus) and **Prof. A.K. Sarkar** (Ex-director, BITS Pilani, Pilani Campus) for allowing me to pursue my doctoral thesis at BITS Pilani. I would like to express my gratitude to **Prof. M.B. Srinivas** (Dean, Academic - Graduate Studies and Research Division, BITS Pilani), **Prof. Jitendra Panwar** (Associate Dean, Academic -Graduate Studies and Research Division, BITS Pilani, Pilani Campus) and **Prof. S. K. Verma** (Dean Admin, BITS Pilani, Pilani Campus) for their kind support.

I also express my special thanks to **Prof. (Dr.) Hemant R. Jadhav** (Head, Department of Pharmacy) and my DAC members **Prof. (Dr.) Anil B. Gaikwad & Prof. (Dr.) Anil Jindal**, who were always available when I needed their advice despite their excessive academic engagement. Their suggestions and instructions have served as a major contributor to the completion of the thesis. I would also like to thank **Prof (Dr.) S. Murugesan**, (ex-HOD, Department of Pharmacy), **Prof. (Dr.) Deepak Chitkara** (DRC Convener) and all the faculty members of the Department of Pharmacy for their constant motivation throughout my PhD. program.

I am thankful to other staff of the institute for their support in my thesis. I thank **Prof. (Dr.) P.R Deepa** (Head, Department of Biological Science), **Prof. (Dr.) Prabhat N. Jha**, (ex-HOD, Department of Biological Sciences, and **Prof. (Dr.) R. K. Roy**, (Head, Department of Chemistry) for allowing me to use the instruments of their department. I am also thankful to **Dr. Sushil K. Yadav**, Senior Veterinary In-charge, Central Animal Facility (CAF) for help with constant scientific and technical support in my animal experiments. I am thankful to all the non-teaching staffs **Mr. Abhishek, Mr. Sandeep, Mr. Mandeep, Mr. Ram Suthar, Mr. Puran Singh, Mr. Laxman Saini, Mr. Naveen and Mr. Tarachand** for their support in my project and providing

me requirements as per my need. I would like to thank all the members of Central Purchase Unit (CPU) and Academic - Graduate Studies & Research Division (AGSRD) for helping me.

Family and friendship are treasured gifts. On this note I would like to thank my **mother** and my **grandmother Late Ajaya Dasgupta**, the two women who motivated me to pursue the doctoral degree. I would like to thank my other **family members** especially my **father** and my **late grandparents** who always assured me moral support, encouragement and their prayers to almighty, which has made me to do my best. I would also like to thank them for their unconditional, endless love and support during my study. I would like to thank my best friends **Atreyee, Gourab, Bijoya and Neelam**. Truly, without their moral support I could have never imagined sustaining the tough time. I would like to thank **Prof. M.S. Dasgupta** and his wife **Mrs. Anamika Dasgupta** who were my local guardian throughout my PhD tenure.

Thanks are due to **Dr. Prashant, Dr. Sridhar, Dr. Anuradha, Dr. Santosh, Dr. Almesh, Dr. Sorabh, Dr. Sruti, Dr. Arghya, Dr. Krishna, Dr. Kishan, Dr. Sourav, Dr. Heena, Dr. Zeeshan, Dr. Priyadeep, Mr. Ginson, Mrs. Monika, Ms. Moyna, Mr. Shahid, Mr. Sayantan, Mr. Sarath, Ms. Heena, Ms. Aditi, Ms. Nisha, Mr. Abheek, Ms. Moumita, Mr. Arihant, Mr. Prashant, Mr. Imran, and Ms. Sriravali**. I have been fortunate to have such dedicated and helpful friends and colleagues. I will always cherish those good times spent with them. Their support and friendship made my PhD one of the memorable parts of my life. I would also thank **Mr. Saksham, Mr. Dileep** (M. Pharm students) and **Ms. Sanjula** (B. Pharm student) in our group for their extended support during my thesis. I would like to thank everyone who directly or indirectly helped in my work.

Last but not the least, I express my gratitude to my esteemed institution **Birla Institute of Technology and Science (BITS) Pilani** for commuting me from nothing to a matured researcher. I am undeniably proud to be associated with this institute.

All other persons who helped me out either in educational carrier or during the personal life I want to say a single word which expresses all.

“THANK YOU”
