

ACKNOWLEDGEMENT

It is a great privilege to express my deepest and most sincere gratitude to my supervisor, **Dr. Chandra Shekhar**, Director, CEERI for providing suggestions, constant encouragement and moral support during the course of the thesis work. In fact I would never have been exposed to this field of VLSI, without his agreement to accept me as a Ph. D. student.

I thank **Prof. S. Venkateswaran**, Vice-Chancellor, B.I.T.S. for giving me an opportunity to do research at the Institute.

I thank **Prof. L.K. Maheshwari**, Pro-Vice-Chancellor and Director, B.I.T.S, Pilani for inspiring me to work hard and systematically to complete my thesis.

I also thank **Prof. K.E. Raman**, Deputy Director (Administration) and **Prof. V. S. Rao**, Deputy Director (Off-Campus Programs), for providing all the necessary administrative support.

I express my gratitude for the kindness and affection shown in enquires about the work and the encouragement given by **Prof. G. Raghurama**, Dean Faculty Division II, and **Prof. Ravi Prakash**, Dean, Research and Consultancy Division. I express my sincere thanks to **Prof. R. N. Saha**, Dean Educational Development Division and Faculty Division III, **Prof. B.R. Natarajan**, Dean Distance Learning Program Division, **Prof. Rajiv Gupta**, Dean Educational Hardware for their encouragement and support.

I express my sincere thanks to **Prof. S. Gurunarayanan** for his efforts to setup a state of the art VLSI laboratory (OLAB) and arranging training on the tools. Without this my work would never have come to this level.

I also express my gratitude to **Prof. Anu gupta** for her standing support in clearing several of my doubts pertaining to VLSI circuits and simulation tools to get correct results. I also express my gratitude for the kindness and affection shown by **Prof. Surekha Bhanot** and **Prof. Vimal Bhanot**.

I wish to thank **Prof. S. Balsubramaniam**, Group Leader (EEE) for encouraging me to work hard and providing all support and assistance. I am thankful to **Mr. B. K. Rout**, Mechanical department and **Prof. M.N. Satyanarayanan**, EEE for helping me in documentation and correction. I am also thankful to **Mr. Pawan Sharma** for providing reliable computational resources. I am thankful to Prof. **S. D. Pohekar**, Ph. D. in-charge,

Research and consultancy division for providing guidance related to all the official procedures throughout the work.

I thank all the **Staff members** of EEE, and Instrumentation groups for their constant support in completion of my work.

I am deeply indebted to my **parents**, brother and all other family members for their constant encouragement, patience, and moral support.

I would like to record my special affection and thanks to **Rasmita** and **Tulsi** who have been a constant source of inspiration to me.

Lastly, I express my thanks to all those who directly or indirectly contributed to the completion of this work.
