

## Part II: Written Case Interviews/Analysis

The written case interview tests how you can deliver your ideas without influence. You will receive the key questions and facts of the case and around 50 minutes to understand and evaluate the client's position and present your analysis through roughly 40 slides or verbally.

Sample written case question with its solution:

### Resources:

#### Beginner

1. <https://hackingthecaseinterview.thinkific.com/pages/consulting-written-case-interview> (13 minute read) - Compiles information from the basics to the important nuances. Includes the purpose, types, methodology used and tips required to ace the written case interviews.
