Pursing a Ph.D. at Birla Institute of Technology and Science, Pilani, has been a life changing experience for me. Over the past five years, I have progressed both personally and professionally. BITS introduced me to various personalities who became my friends, mentors, and teachers. Here at the onset of the end of this beautiful journey I would like to thank them all for their unrelenting support and guidance.

Foremost, I would like to thank my thesis supervisor Dr. Hari Babu Kotakula and co-supervisor Dr. Ashutosh Bhatia for their constant motivation, valuable guidance and support. They provided the right environment and resources which helped in completion of this work. Their critical comments helped me in refining the work and motivated me to do better. Their experience and immense knowledge have encouraged me in my research and daily life.

I am also thankful to Prof. Sundar Balasubramaniam for his active guidance and support throughout my Ph.D. I am deeply grateful to my Doctoral Advisory Committee (DAC) members, Dr. Virendra Singh Shekhawat, from BITS-Pilani, Pilani campus, and Dr. Vishal Gupta, from BITS-Pilani, Pilani campus, for reviewing my research proposal as well as this thesis, including their valuable suggestions throughout the research work. I wish to acknowledge Prof. Souvik Bhattacharyya, Vice-chancellor and Prof. Sudhirkumar Barai, Director, BITS-Pilani (Pilani campus) for their blessings and motivation.

I would like to express my heartfelt appreciation to all the members of Center for Excellence in Software Defined Networking Lab, for continually helping me academically as well as personally. I would also like to mention my sincerest thanks to faculty members, friends, colleagues and research team for their support. Special thanks to my fellow researchers, Chandramani Chaud-

hary, Saiyedul Islam, Sonal Kumari, Rupal Bhargava, Prerna Kaushik, Jagat Sesh Challa who together induced a warm atmosphere in our labs and the department, to make our journey delightful, full of learning, and a memorable one.

Words fail to express my gratitude to my parents- Mr. Satish Kumar and Mrs. Sundri Devi for their love, motivation, and blessings. Their consistent encouragement to work hard has always been a motivating factor in my life. I would also like to thank my sister Ms. Shelly and brother Mr. Parikshit Rathee for their constant support and motivation. A special thanks to my husband, Mr. Ajay Singh for his unconditional love, constant support, and patience. I am deeply indebted to my entire family for their trust in me that made me confident enough to accomplish this journey successfully.

Above all, the infinite grace of the Almighty GOD is of essential importance, and I solemnly offer my regards for His grace which enabled peace and harmony for this work.
