

# Acknowledgements

I would first like to thank my supervisor, **Dr. Jitender Kumar**, whose expertise was invaluable in pursuing my research work and preparation of this thesis. His insightful feedback, constant encouragement, and useful discussions pushed me to sharpen my thinking abilities that helped me immensely in my research work.

I express my sincere gratitude towards Vice-Chancellor, Director, BITS Pilani, Pilani Campus for providing a healthy and peaceful environment to complete my doctoral thesis. I also thank Prof. Srinivas Krishnaswamy, Dean, AGSRD, and Prof. Jitendra Panwar, Associate Dean, AGSRD. I would like to extend my sincere thanks to my DAC members, Prof. Pradipkumar H Keskar and Dr. Krishnendra Shekhawat, Assistant Professor, Department of Mathematics, BITS Pilani, Pilani Campus for continuous support throughout this study and for evaluating my Ph.D. thesis. I thank Dr. Rakhee (Ex DRC convener) and Dr. Ashish Tiwari for their continuous support as the DRC convener. I am grateful to Prof. Chandra Shekhar (Ex HoD), Prof. Balram Dubey (Ex HoD), Dr. Bhupendra Kumar Sharma (Ex HoD), and present HoD, Dr. Devendra Kumar for providing me all the necessary research facilities and a healthy working environment. I acknowledge all the faculty members of the Mathematics Department, BITS Pilani, Pilani Campus for their direct and indirect encouragement, support and guidance during the entire journey of my doctoral work.

I wish to thank all my friends and well-wishers for their love and encouragement during this period. I owe my thanks to Deepak, Pallav, Barkha, Komal Deshwal,

Sonali, Satta, Sugandha, Shivani, Geetika, Chandan, Himanshu and as well as many others for creating many memorable moments. I want to thank my colleagues for their help during these years.

At last but not the least, my heartiest appreciation goes to my family, whose blessings and support helped me with my humble academic achievements. I would like to thank my parents for their endless unconditional support. I am very much thankful to my wife Renu for her love, moral support, and motivate me over the years. Along with them, I would like to thank my brothers (Mr. Pradeep and Mr. Jagdeep) for their continuous motivation and enormous encouragement throughout my academic life. I am also thankful to my niece Lakshita and other family members for their love. This work would not have been possible without the endless support and encouragement from my parents, my supervisor, and friends.
