

Acknowledgement

I am grateful to my supervisor Prof. Navneet Gupta, who has always encouraged me and motivated me to give my best. Had it not been for his meticulous and patient guidance it wouldn't have been possible for me to reach this point in my research work. He has always encouraged and supported me both personally and professionally.

I express my deep sense of gratitude to my DAC members Prof. V. Manjuladevi and Dr. Arnab Hazra for their suggestions and advice all throughout my Ph.D. work. Their support, interactive discussions during my presentations and timely suggestions has really helped me to shape this work in a better way.

I take this opportunity to extend my deep sense of gratitude to Prof. Sudhirkumar Barai, Director BITS Pilani, Pilani Campus, Prof. H.D. Mathur, HoD, EEE Department, BITS Pilani, Pilani Campus and Senior faculty of the EEE Department Prof. S. Gurunaryanan, Prof. Surekha Bhanot, Prof. Anu Gupta and Prof. V.K.Chaubey for their support and valuable guidance throughout my thesis work.

I would like to specially mention my sincere gratitude to my friends Dr. Kavindra Kandpal, Assistant Professor, IIT Allahabad and Dr. Rupam Goswami, Assistant Professor, Tezpur University for their constant support and encouragement. Their technical inputs and suggestions have helped me progress in a proper direction during the course of my Ph.D.

Finally, my deep and sincere gratitude to my family who has always extended their help, unparalleled love and support all throughout my life. I am grateful to my sister who has always helped me out in my academics and encouraged me to think independently. I am forever indebted to my parents, for giving me the opportunities and experiences that have made me whom I am.
