

## ACKNOWLEDGEMENTS

I thank the God almighty for giving me this opportunity of pursuing PhD from BITS Pilani which has been a wonderful journey of enriching and unforgettable learning experiences. This journey would not have been so exciting and fulfilling if the guidance and support of several people was not there. Hence, I would take this opportunity to express my heartfelt gratitude to all those people.

I would like to express my deepest gratitude to my supervisor Prof. Pushp Lata and co-supervisor Prof. S.K. Choudhary who guided me all through this journey with all their wisdom, understanding and unwavering support. They have made many painstaking efforts in the completion of this research work and have provided their timely feedback and inputs for qualitative improvements in the research.

I am thankful to Prof. Sangeeta Sharma and Prof. Gajendra Singh Chauhan, the members of my Doctoral Advisory Committee for their valuable suggestions, feedback and insightful comments which helped in channelizing me in the right direction. I also express my gratitude to Dr. Sailaja Nandigama for her valuable suggestions from time-to-time which helped me greatly in following the right strategies and for her help in with the qualitative analysis in the thesis. I also thank Prof. Devika Sangwan, Head of Dept. for her support and advices whenever required. My sincere thanks to Dr. K.S. Bhattacharya, DRC Convenor for his valuable suggestions in all through the time and for his support. I thank all the faculty members in the Dept. of Humanities and Social Sciences, BITS Pilani for their support and advices whenever needed. I also thank the supporting hands in the Dept. Mr. Anil, Mr. Ajeet, Mr. Prakash, and Mr. Ramesh for their support.

I would like to express my gratitude to the Vice Chancellor, the Director, and the Deans of Birla Institute of Technology and Science (BITS) Pilani for giving me this opportunity of pursuing PhD from this esteemed institution and for providing such a wonderful learning environment and scope for research. I express my thankfulness to the present and past Deans of AGSRD for their guidance in the official matters.

I would like to thank Dr. Rajni Singh, ex Research Scholar at BITS Pilani for her continuous help and support in the matters of quantitative analysis of the data. I also thank my fellow research scholars Vidhi Agarwal and Priyanka for their support. I also thank all the research scholars for being highly motivating and helpful.

I also express my thankfulness to Mr Giridhar M. Kunkur, Librarian, and Deputy Librarian Mr Ishappa Bandi for providing all the online and offline library support. Whenever there were issues with the online access to the library facilities, they readily helped in the resolving the issues and in keeping me in-touch with my research progress. I also express my gratitude to the library staff at RIE Ajmer for providing me all the facilities for using the library services including the access to online platform of N-List which has been of great help in this journey.

Last but not the least, I must express my deepest gratitude to my parents Sh. Devendra Kumar and Smt. Sunita Devi for their blessings and motivation all through this journey. I also thank my father-in-law Sh. Ashok Kumar and mother-in-law Smt. Sushila Devi for their persistent blessings, motivation and support during this time. I feel speechless to look back at the support and care provided by my wife Mrs. Jyoti Jangir who stood by me in the thick and thin and kept inspiring me to follow the path of hard work even under dire circumstances. I express my deep love and gratitude towards my son Priyansh and daughter Harshita for being a constant source of inspiration and motivation to me towards completing this journey of PhD. I also thank my brother Anoop Kumar, my brothers-in-law Mr. Ashish Kumar and Mr. Shubham Kumar for

their help and support during this time. Finally, I thank my friends Mr. Rajan Sharma, Mr. Vijay Kumar, Mr. Bhawani Singh and Mr. Ravi Saini for continuously supporting and motivating me all through this journey.

DEEPAK KUMAR
