It is a great pleasure for me to express my respect and deep sense of gratitude to my Ph.D. supervisor Dr. Sainath Bitragunta, Assistant Professor, Department of Electrical & Electronics, BITS Pilani, Pilani Campus, for his wisdom, vision, expertise, guidance, enthusiastic involvement and persistent encouragement during the planning and development of this research work. I also gratefully acknowledge his painstaking efforts in thoroughly going through and improving the manuscript without which this work could not have been completed. I am also thankful and highly indebted to my doctoral advisory committee members Dr. Anantha Krishna Chintanpalli and Dr. Praveen Kumar A.V. who always stood by me with their valuable feedback that helped me in staying positive and focused towards my Ph.D. objectives.

I sincerely express my profound gratitude to Prof. Souvik Bhattacharyya, Vice-Chancellor, BITS Pilani to provide me with the opportunity to carry out my Doctoral studies in BITS Pilani. I convey my sincere thanks to Prof. Sudhirkumar Barai, Director, BITS Pilani, Pilani Campus. I also express my gratitude to Prof. M. B. Srinivas, Dean, Academic Graduate Studies and Research (Ph.D. Program) Division and Prof. Jitendra Panwar, Associate Dean, Academic Graduate Studies and Research (Ph.D. Program) Division for providing valuable support throughout the program.

I would like to thank the Departmental Research Committee (DRC) convener Dr. Praveen Kumar A. V. and all the DRC members for their continuous support. I would like to thank Prof. H. D. Mathur, Head of the EEE Department, for motivating me throughout my degree program. I would like to thank all senior professors Prof. Chandra Shekhar, Prof. S. Gurunaryanan, Prof. V. K. Chaubey, Prof. Surekha Bhanot, Prof. Anu Gupta, Prof. Navneet Gupta, Prof. Hari Om Bansal, Prof. Dheerendra Singh, and Prof. K. K. Gupta for their guidance, constructive criticism, and continuous motivation. I want to thank them for their willingness to share their knowledge with me, which remains very useful in shaping my ideas and research.

I wish to express my appreciation to my friends Krishna Veer Singh, Punit Khatri, Ritish Kumar, Ziyaur Rahman, Prem Sai, Pranay Bhardawaj, Anuj Ojha and thanks to all the research fellows at department for their help and motivation throughout my research work. I also would like to express my deep and sincerely thanks to my friends and all other persons whose names do not appear here, for helping me either directly or indirectly in all even and odd times. I would also like to extend my special thanks to Mr. Mahesh Saini and other staff members of EEE Department, for their timely help and cooperation extended throughout the course of investigation.

I am also thankful to the anonymous reviewers of my research publications. Their comments and suggestions were very helpful in shaping my research work.

I am obliged to my parents Shri B. R. Sharma and Smt. C. Bala for their moral support, love, encouragement and blessings to complete this task. I am especially thankful to my wife Shivangi for her patience, love and encouragement during this journey.

Finally, I am indebted and grateful to the Almighty for helping me in this endeavor.
