

ACKNOWLEDGMENTS

This Ph.D. thesis took quite some time to get its final shape. However, as I completed this work, I realized that it had been a good learning experience. I express my respect and deep gratitude to my supervisor **Prof. Ajit Pratap Singh** and co-supervisor **Prof. Ravi Kant Mittal** for their unconditional support and valuable suggestions throughout the research work. The thesis would have stopped mid-way if they had not given me their moral support, constructive criticism, and the freedom to conduct this work. Their immense knowledge of the subject has always contributed to improving my research work. They were always there to listen to my problems – both academic and personal, and gave useful advices. I consider it a privilege to have been their student and worked under their valuable guidance. Much appreciation is expressed to **BITS Pilani** for providing all the necessary facilities and support to complete the research work. My special thanks to **Prof. Souvik Bhattacharyya**, Vice-Chancellor of the University, and BITS Pilani for giving me an opportunity to perform research at the institute. I wish to express my warm and sincere thanks to Director, BITS Pilani, Pilani Campus **Prof. Sudhirkumar Barai** and **Prof. A. K. Sarkar**, former Director, for permitting me to pursue my research work in the Institute. I also express my sincere thanks to **Prof. Srinivas Krishnaswamy**, Dean, Academic-Graduate Studies and Research Division, and **Prof. Jitendra Panwar** Associate Dean, Academic-Graduate Studies and Research Division for their motivation, constant support, and encouragement.

I would like to take this opportunity to express my gratefulness to **Prof. A. K. Sarkar** and **Prof. Anupam Singhal**, who are the members of my Doctoral Advisory Committee (DAC), for their kind suggestions. Special thanks and appreciation are for **Prof. Anshuman** HOD, Department of Civil Engineering, **Prof. Manoj Kumar** and **Prof. Ravi Kant Mittal**, former HODs, of department for their unconditional support. Sincere acknowledgement to the faculty members of Civil Engineering Department for the enormous assistance and valuable suggestions provided throughout my research work. I sincerely thanks to **Prof. Kuldip Singh Sangwan** for allowing me to perform LCA analysis in sustainable manufacturing laboratory **BITS Pilani**.
