“The proactive approach to a mistake is to acknowledge it instantly, correct and learn from it”

Stephen Covey

Prima facie, I am thankful to the Almighty for showering me with His Love & His Grace, and for the good health and wellbeing that are necessary to complete this thesis.

I express my sincere thanks to BITS Pilani for giving me admission, academic environment, computational facility, library facility, scholarship, and all favorable opportunities to complete this thesis.

I wish to express my heartiest gratitude and sincere thanks to my supervisor, Dr. Chandra Shekhar, Associate Professor, Department of Mathematics, BITS Pilani, Pilani Campus, for his consistent and scholarly guidance and suggestions throughout this research work. His creative criticism and prompting encouragement gave me deep inspiration to do the best possible in time. I feel privileged to have been his student and to have worked under his supervision.

I would like to take this opportunity to express my gratefulness to the members of Doctoral Advisory Committee (DAC), Prof. Srikanta Routroy, Department of Mechanical Engineering, BITS Pilani and Dr. Rajesh. P. Mishra, Department of Mechanical Engineering, BITS Pilani, for their kind suggestions and encouragement throughout my work. I also extend my gratefulness to Prof. C. B. Gupta, Retd. Professor, Department of Mathematics, BITS Pilani for continuous support as faculty and earlier DAC member.

I would also like to express my heartfelt gratitude to Prof. B. K. Sharma Head, Department of Mathematics, BITS Pilani and Members, DRC, Department of Mathematics, BITS Pilani, for their warm support in providing me with a healthy environment for research. I extend my gratitude to all Ex. Heads of the Department, Prof. Dilip K. Maiti, Prof. Balram Dubey also. I am also indebted to all the faculty members of the Department of Mathematics for their support and their encouragement throughout this journey. I would also like to thank the administrative and technical staff members who have been kind enough to support and assist me in their respective roles.

I must also acknowledge the invaluable contribution of one of my esteemed teachers Dr. Lakhan Singh, Associate Professor, for his constant support and warmth throughout my Ph.D. work. I also wish to express my sincere thanks to my friends Shreekant Varshney, Dr. Chandra Hass (IIT Bombay), Dr. Sandeep Mogha, Neeraj Pundir, Amit Gupta, Upendra Singh, Victor Saha, Vikash, Ambhuj, Sanjeev Singh Kumar, Sandeep Dalal and Aditi for their help and support throughout my research work.

My special thanks to Prof. Souvik Bhattacharya, Vice-Chancellor, BITS Pilani and Prof. Ashoke Kumar Sarkar, Director, BITS Pilani, Pilani Campus for allowing me to pursue my research work successfully. I also express my gratitude to Prof. Srinivas Krishnaswamy (Dean, Academic – Graduate Studies & Research Division), Prof. S. K. Verma, (Dean – Administration), Prof. Navneet Gupta (Associate Dean – Sponsored Research and Consultancy Division) and Prof. Jitendra Panwar (Associate Dean, Academic – Graduate Studies & Research Division) for providing me with valuable support throughout the program.

I express a sincere thanks to Mrs. Shikha Gupta, w/o Chandra Shekhar who helped and advised me throughout my research work. I extend my love to Master Pranjay Jayaswal and Master Tejsav Jayaswal, s/o Chandra Shekhar. They have provided me a familiar ambiance during this period.

Last but certainly not the least, I would like to thank my parents (Smt. Rekha Devi and Shri Dharampal Singh), my brother Ansul, and my loving wife Preeti, for their unconditional sacrifice of time and constant emotional support during my Ph.D. tenure. I would also like to thank my extended family members and relatives for the invaluable support and trust they have bestowed upon me during this period.
